

To the parents of Glen Oaks Students,

As the new school season starts, let me take this opportunity to make you aware of the drop off and pick up procedures along with the Hickory Hills Parking Ordinances. Our goal is to make this time convenient and safe for everyone.

There is **No Parking** on the south side of 91st St. from 88th Ave. to 86th Ct. **Double Parking** is not permitted. **East bound use of 91st St. needs to be clear of all vehicles.**

The Glen Oaks parking lot is reserved for the school buses and employees of the district 117. No students are allowed to be dropped off or picked up in the school parking lot by parents or guardians.

Best option for drop off and pick up is to get in line with the vehicles traveling **west bound** 91st St. from 86th Ave. There is a posted crossing guard who controls the traffic at the corner of 91st St. at 87th Ave. They are there to make certain that everyone gets out smoothly and safely. Parents are instructed not to park and exit their vehicle to drop off or pick up students. Parents need to remain in their vehicles. Please, do not park or block the residents driveways.

St. Patricia's parking lot is private property. Do not use the parking lot and west alley way to get to 87th Ave to drop off or pick up students. St. Patricia School **will close off** the west entrance and exit to the parking lot. Also, there is **No Parking** on the east side of 87th Ave north of 91st St.

Temporary parking may be available at Krueger Park, which is located on 88th Ave., directly west of Glen Oaks School. There, a posted crossing guard will see to it that your child makes it safely across 88th Ave. at the traffic signal.

Parking within 20 feet of any intersection is against the law. There are **yellow lines painted on the curbs** which mark exactly where that 20 foot mark is located. If your vehicle is within those lines, you are in violation.

If a parent needs to park and walk the student to the door, park on the east side of 87th Ct. facing 91st St. Please do not park on the west side of 87th Ct. Again, please do not park or block the residents driveways.

Cell phone usage in a school zone is illegal. Slow down in the school zones. The posted **School Zone** speed is 20mph. Officers will be patrolling the area and writing citations for any violations that they observe.

Thank you,

Community Policing Officer Heidi Sonntag
Hickory Hills Police Department
