

How to Create a PowerSchool Parent Access Account

In order to create a Parent Access account, you must have an **Access Account ID** and **Access Password** for each student that you wish to add to your account. This information will be sent to you via email once you register your student(s). You can also retrieve this information by calling your student's school office.

Go to the following link: <https://powerschool.npd117.net/public>

(This link is always available by going to www.npd117.net and going to the "Parents & Students" header and clicking on the "Parent Access" link)
