Professional Grievance Procedures

A. DEFINITION

A grievance shall mean a complaint that there has been an alleged violation, misinterpretation, or misapplication of any provision of this Agreement. No grievance shall be entertained or processed unless it is submitted within fifteen (15) school days after the grievant had knowledge or should have had knowledge of the last asserted violation of the Agreement giving rise to the Grievance provided, however, that if there are less than fifteen (15) school days before the close of the school term, this time limit will be extended to fifteen (15) week days. The failure to act within the time limits herein shall bar further appeals. Time is of the essence to this Agreement. Time limits may be extended only by mutual agreement. Failure to communicate a decision within the specified time limits shall permit the grievant to proceed to the next step. A grievance may be filed by an employee or employees and/or the Association.

B. STATEMENT OF BASIC PRINCIPLES

1. All employees covered by this Agreement shall have the right to present grievances in accordance with these procedures, with or without representation. Nothing contained in this Article or elsewhere in this Agreement shall be construed to prevent any individual employee from discussing a problem with the administration and having it adjusted with or without intervention or representation of organization representatives.
2. An employee who participates in these grievance procedures shall not be subjected to discipline or reprisal because of such participation.
3. Any employee has a right to be represented in all steps of the grievance procedure. When the presence at a grievance hearing of an employee or a person against whom a grievance has been filed is requested by either party, illness, or other incapacity of the employee or such person shall be grounds for any necessary extension of grievance procedure time limits. The days for a grievant's response, or the response of a person against whom a grievance is filed, shall be extended the number of days the grievant is absent from work, but not more than thirty (30) days. When an employee grievant(s) is not a member of the Association, the Association shall have the right to have a representative present to state its views at and after the Second Step of the grievance procedure unless the said employee grievant(s) objects. The Association shall notify the Superintendent of the names of non-Association members. The Association President shall be notified when an employee grievant who is not a member of the Association grieves to the Second Step.
4. Hearings and conferences under this procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity for all persons, including witnesses entitled to be present, to attend, and will be held, insofar as possible, after regular school hours, or during non-work time of personnel involved. When such hearings and conferences are held, at the option of the Administration during school hours, any employee whose presence is required shall be excused, with pay, for that purpose.

5. It is agreed that any investigation or other handling or processing of any grievance by the grieving employees or their representatives shall be conducted so as to result in no interference with or interruption whatsoever of the related work activities of employee staff.
6. Filing of materials. All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.
7. Grievance withdrawal. A grievance may be withdrawn at any level without establishing a precedent.
8. Association grievances may be filed at the Third Step.

C. PROCEDURES

1. First Step. The grievant shall file the grievance in writing with the building principal/immediate supervisor. The written grievance should state the nature of the grievance, should note the specific clause or clauses of the Agreement allegedly violated, should state the remedy requested, and should be signed by the employee/employees or Association representative.

The building principal/immediate supervisor shall meet with the grievant within five (5) days after receipt of the grievance. The building principal/immediate supervisor or other administrator who has the authority to make a decision on the grievance shall make such a decision and communicate it in writing with reasons to the grievant and the Superintendent within ten (10) days after the meeting.

2. Second Step. In the event a grievance has not been satisfactorily resolved at the First Step, the grievant shall file, within ten (10) days of the building principal/immediate supervisor's written decision or answer at the First Step, a copy of the grievance with the Superintendent. Within five (5) days after such written grievance has been received, the aggrieved or representative of the aggrieved as desired, building principal/ immediate supervisor, and the Superintendent, or his/her designee, shall meet to resolve the grievance. The Superintendent, or his/her designee, shall file an answer within ten (10) days of the Second Step grievance meeting and communicate it in writing to the grievant, the building principal/immediate supervisor, and the representative.
3. Third Step. If the grievant is not satisfied with the decision in the Second Step, the grievant may appeal to the Board within ten (10) school days after having received the written decision of the Superintendent. The appeal shall be in writing, citing all of the pertinent information, with one (1) copy sent to the Board through the Superintendent, and copies thereof shall be furnished to the building principal/immediate supervisor and the Superintendent.

The Board shall, at the next meeting of the Board, hear the grievance and it shall then render its decision within three (3) school days after the hearing of the grievance and shall communicate it with reasons in writing through the Superintendent's office to the grievant.

4. Fourth Step. If the grievance is not settled in accordance with the foregoing procedure, the Association (but not the employee) may refer the grievance to arbitration within thirty (30) school days after receipt of the Board's answer in the Third Step. The Association or the Board may submit the grievance to final and binding arbitration under the Voluntary Labor Arbitration Rules of the American Arbitration Association, which shall act as the administrator of the proceedings.

The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement or any applicable Board policy. He/she shall consider and decide only the specific issues submitted to him/her in writing and shall have no authority to make any decisions or recommendation on any other issue not so submitted to him/her. The arbitrator shall be without power to make decisions contrary to or inconsistent with or modifying or varying in any way the applicable laws and rules and regulations having the force and effect of the law. The arbitrator shall submit in writing his/her decision within thirty (30) days following close of the hearing or the submission of briefs by the parties, whichever is later. The arbitrator's decision shall be based solely upon his/her interpretation of the meaning or application of the specific terms of this Agreement concerning the facts of the grievance presented. The decision of the arbitrator shall be binding on the parties and employees and shall be immediately implemented. The fees of the arbitrator and the American Arbitration Association charges shall be divided equally between the Board and the Association. All other expenses shall be borne by the party incurring them.
